PORPOISE PROTECTORS - FUNDRAISING

You can help WDC keep porpoises, whales and dolphins safe and free by fundraising for us. Even small amounts of money soon add up to make a big difference.

WDC is a charity, which means that we rely on supporters like you helping us raise the money we need to protect these wonderful creatures.

We've included some simple fundraising ideas here to get you started and we'd love to help you - just email Sharon (events@whales.org) or call 01249 449550.

We can't wait to hear from you and will give you plenty of fundraising advice and encouragement.

DONATE YOUR BIRTHDAY

Ask friends invited to your birthday party to donate money to WDC instead of bringing presents for you. You can even print out our special invitation rhyme to send to your friends.

So that friends don't have to give you cash, why not set up a JustGiving page for your birthday fundraiser? We'll send you a birthday card to help you celebrate too!

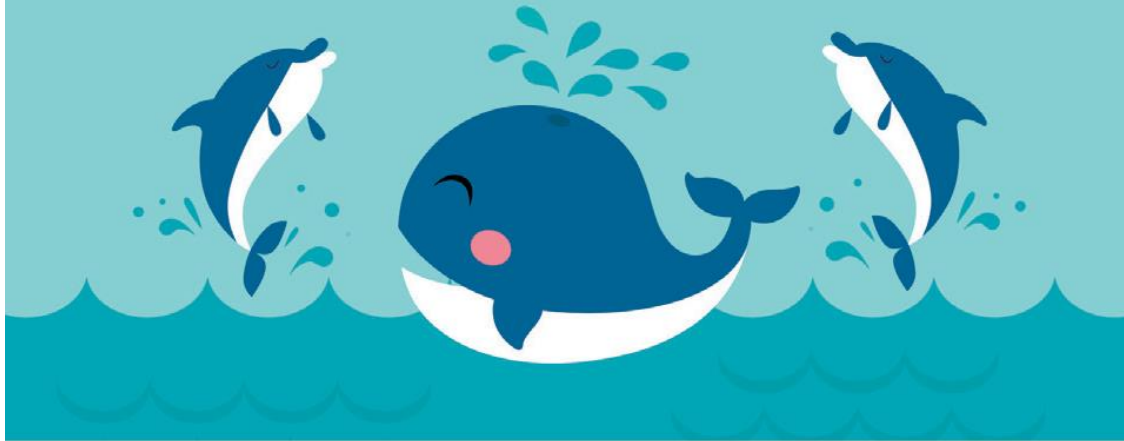

You could also bake some whale or dolphin birthday cakes!

DONATE YOUR BIRTHDAY

BIRTHDAY INVITATION

Dear friend,
For my birthday I have a little task,
instead of gifts. I have decided to ask...
Please can you bring a small donation
for **Whale and Dolphin Conservation**?

Print out our
special
invitations to
give to your
friends!

SPONSORED ACTIVITIES

Get sponsored and raise money for WDC. How about a sponsored bike ride, a **walk**, a **swim**, a **litter pick**, running, hopping, dancing or skipping - even washing cars! Or what about the hardest of them all - a sponsored silence!

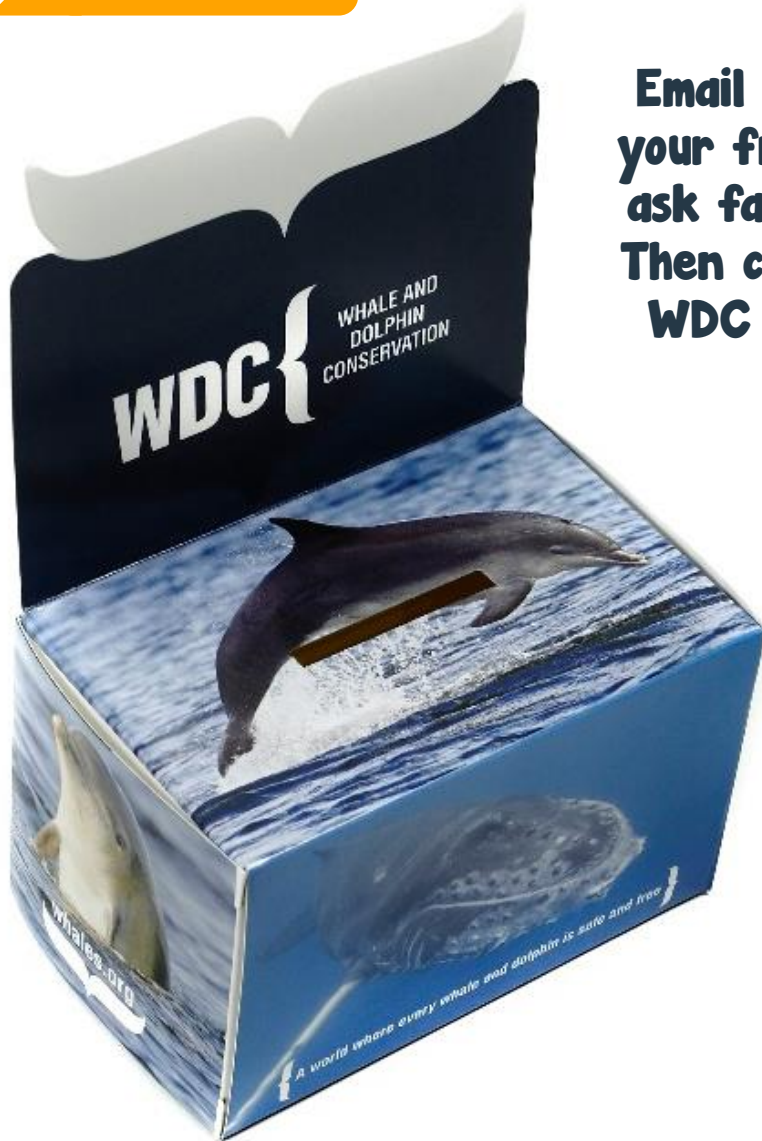

BAKE SALE

Bake and sell your tasty homemade biscuits and cakes to family and friends, or perhaps hold a WDC bake sale with friends at school. Ask your class to help with the baking! Send the money you raise to WDC.

COIN COLLECTION

Email info@whales.org or call 01249 449500 for your free WDC coin collection box. Display it and ask family and friends to pop their coins into it! Then count up the coins and ask an adult to send WDC a cheque for the amount you have raised.

Alternatively you can make your own coin collector by recycling a jar and decorating it. Everybody has loose change they don't want to carry around in their pockets or purses.

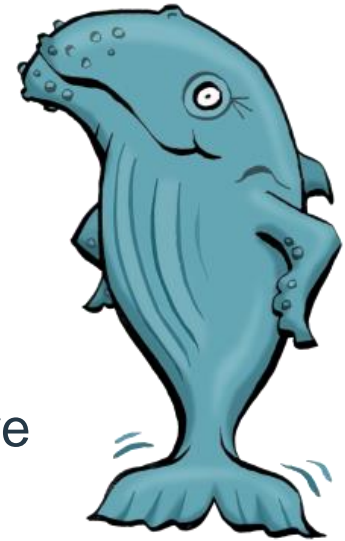

HOW TO SEND THE MONEY YOU'VE RAISED TO WDC

Ask an adult to send a cheque to “Whale and Dolphin Conservation” for the money you’ve raised to:

**WDC Events Team,
Freepost (SCE14478),
Chippenham,
SN15 1ZY.**

Don’t forget to include a note telling us who you are and how you raised the money.

If you’re doing a sponsored activity, you might like to ask an adult to help set up a JustGiving page. Please email events@whales.org if you need any help or support with your fundraising activities.

We would also love to receive photos of you doing what you did to help protect whales and dolphins.
